

## Steam room equipment

for pleasant climate and relaxation

# Innovative steam room equipment

The idea behind the steam room equipment from EOS is superior performance paired with exceptional reliability and easy handling.

For our products, we rely exclusively on carefully selected materials and perfect workmanship down to the smallest detail – durable engineering for long-lasting steam room pleasure. High-quality raw materials and high-quality components are individually manufactured and only delivered to our customers after several functional tests. The built-in descaling system dissolves limescale and rinses the water tank, thus ensuring consistently high performance.

The steam generators are complemented by quality accessories such as light, sound, fragrances, etc., which appeal to all senses and create an unforgettable steam bath experience.

Trust in decades of experience made in Germany.

## Steam generators

### EOS SteamAttrac

Compact steam generator for steam rooms or saunas with humid operation. Suitable for private and commercial use.

Durable stainless steel outer housing and water tank with high-performance heating elements. Stable steam production.

Dry run protection with automatic switch-off at water shortage. Automatic drain after use. Reminder indicator for cleaning / descaling.

Power supply: 3kW: 230V1N~50Hz  
4 - 6kW: 400V3N~50Hz

Power	Steam room**	Steam/h	Item no.
3kW	up to 4m³	4kg	94 6838
4kW	up to 5m³	5kg	94 6839
6kW	2,1 - 6m³	8kg	94 6840

### EOS SteamRock II Basic

Premium class steam generator for steam rooms. Ideal for private and commercial use.

Robust, durable construction with quality heating elements. Very fast steam production, high efficiency. The power output may be quickly adjusted on site. Flexible installation thanks to variable steam outlet.

Water tank made entirely of stainless steel, separately replaceable heating elements. Fully automatic operation with overheating protection. Integrated automatic descaling system (cleaning and descaling). Delivery includes a 5l container with level probe for descaler liquid.

Power supply: 400V 3N ~ 50/60Hz

Power	Steam room**	Steam/h	Item no.
3 / 6 / 9kW	up to 12 m³	4 - 12kg	94 7649
12 / 15 / 18kW*	6,1 - 24m³	16 - 24kg	94 7650

### EOS SteamRock II Premium

Luxury class steam generator with high-performance quality heating elements for steam rooms. Ideal for particularly demanding use. Built-in descaling and automatic cleaning sytem. With control unit - **including EOS EmoTouch 3 control panel** with colour touchscreen display. Very large scope of functions and features, e. g. coloured light, sound, remote start, etc.

Built-in essence dosing system for two fragrances. The power output may be quickly adjusted on site. Flexible installation thanks to variable, extra-large 1 1/4" steam outlet for efficient operation.

Volt-free outputs for bench and floor heating. Outputs for two fans and light (dimnable). Temperature sensor with 5m cable included in delivery.

Power supply: 400V 3N ~ 50/60Hz

Power	Steam room**	Steam/h	Item no.
SteamRock II Premium, black / white control unit			
3 / 6 / 9kW	up to 12m³	4 - 12kg	94 7643 / 7645
12 / 15 / 18kW*	6,1 - 24m³	16 - 24kg	94 7644 / 7646
SteamRock II Premium, Individual / without control unit			
3 / 6 / 9kW	up to 12m³	4 - 12kg	94 8883 / 7647
12 / 15 / 18kW*	6,1 - 24m³	16 - 24kg	94 8884 / 7648

### EOS LED Spot | Spot Compact

Dimmable, recessed spotlights for use in steam rooms and sauna cabins. Pre-mounted 2m connection cable allows fast and easy installation.

Powerful, brilliant colours, homogeneous light surface. Heat resistant up to at least 140°C, electronic protection of LED chips (automatic reduction of the light intensity at 110°C). Protection class IP65.

The spots are available individually, in sets of 5 or 10, as RGB or warm white version. Upon request also available in matt black finish.

**LED Spot** - Ø84mm×25mm, metal housing, matt nickel, approx. 4W / 24V =

**LED Spot Compact** - Ø40mm×25mm, aluminum housing, silver glossy anodized, approx. 1,3-1,5W / 24V =

Notice: A transformer or the SBM-FL75/150 coloured light module is required for operation.

Model	Item no.
LED Spots	
Warm-white (3000K)	94 7421
RGB	94 7424
LED Spots Compact	
Warm-white (3000K)	94 9193
RGB	94 9187

### EOS LED Strip SR flex

Special flexible LED strip designed for steam rooms and similar high humidity installations.

24V=, protection class IP68. Dimmable (constant voltage).

LED strips with 5m length and 5m connection cable on both ends. Adhesive layer on the rear side, mounting brackets for mechanical fixation included in delievery.

Available as RGB coloured light type (60W) and as white light type (warm white 3000K, 60W).

Dividable, can be shortened in 10 cm steps.

Notice: A transformer or the SBM-FL75/150 coloured light module is required for operation.

Model	Item no.
Warm-white (3000K)	94 7318
RGB	94 7317

## Accessories for steam rooms

### Essence dosing pump kit

High performance essence dosing pump for steam rooms. Ideal in connection with the control unit EOS Econ S2 for EOS SteamAttrac und SteamRock II Basic steam generators.

Professional grade peristaltic pump with maximum dosing capacity up to 5l/h with only 8W power rating. Robust metal housing in anthracite pearl effect finish for wall-mounting. Installation kit included in delivery.

### SBM-Aroma / Aroma button

For manual essence dosing.

**SBM-Aroma** - for EOS SteamRock II Premium. Set with push button (metal housing, flush-mounting installation, blue illumination ring), connection cable 5m, electronic unit.

**Aroma Button** - for EOS Econ S2. Button as above, with cable 5m.

Model	Item no.
Essence dosing pump kit	94 6297
SBM-Aroma / Aroma button	94 6799 / 94 6507

\* power outputs 3/6/9kW also possible | \*\* You can find further information and specifications on our website: [www.eos-sauna.com/en/steam](http://www.eos-sauna.com/en/steam)

# Steam room equipment

## EOS Econ S2

Control unit for EOS SteamRock II Basic and EOS SteamAttrac steam generators.

Large multi-line LCD display, menu navigation in twelve languages, guided setup. Temperature control 30 - 50 °C, variable heating time limitation, output for light and ventilation fan (230 V), Timer function.

Control for essence dosing pumps and further special functions.

Temperature sensor with 5m cable included in delivery. Longer sensor cables (20 m / 50 m) optionally available.

Model	Item no.
EOS Econ S2	94 6296

## EOS EmoTouch 3

Innovative touchscreen control system - for private or commercial use.

Control of up to 8 cabins from just one display panel (using extensions). **LSG Steam** allows to operate the steam generators like SteamRock Basic and SteamAttrac, as well as many other brands (check compatibility in advance).

The 7" capacitive touchscreen display with interactive cabin interior takes the operation to a completely new level of comfort.

Available in white and black design or new, with an individual glass frame. The **EOS EmoTouch 3 Individual** offers infinite design possibilities.

Every connected cabin can be easily enhanced with additional features - e.g. you can also control music or LED coloured lighting.

Model	Item no.
LSG Steam	94 6967
EOS EmoTouch 3 black / white / Individual	94 6504 / 6505 / 8880

## SBM-App module

The SBM-App module allows to control a steam room remotely from a smartphone or tablet-PC from any place worldwide (internet access required). You can comfortably control your steam room while you are out and about or directly from the couch without having to get up. Also a quick check of the current operating status like temperature or remaining heating time is easily possible.

Requires the installation of the **EOS Spa Control App**. Suitable for Android and Apple iOS. The app will automatically detect the paired sauna control unit and adjust its interface for a simple and intuitive operation.

No separate power supply needed. Delivery does not include a smartphone or a tablet pc!

For EOS SteamRock II Premium incl. EOS EmoTouch 3, EOS SteamRock II Basic and EOS SteamAttrac each in connection with LSG Steam for EOS EmoTouch3.

Compatible control unit: EOS EmoTouch 3

Model	Item no.
SBM-App module	94 5987

## Steam room accessories
