

Technical data sheet

EOS Bi-O Gracil

Sauna heater with vaporizer for private sauna cabins. Floor-standing model.

Versatile sauna heater with integrated vaporizer for flexible climate settings - from hot and dry to mild and humid.

Slim depth construction. Bi-O Gracil features a robust construction and a sleek, contemporary design to suit modern sauna cabins. Recommended for residential use.

Your advantages:

- Very space-saving design – only 25 cm depth
- Suits installations in front of glass thanks to recessed terminal box. Rear wall cover panel optionally available.
- Available with anthracite or matt black finish.
- Built-in vaporizer for flexible climate settings.
- Durable stainless steel foot with drip tray.
- Made in Germany quality from EOS
