

EOS M3 W

Sauna heater with built-in control unit. Wall-mounting model.

Compact wall-mounting sauna heater for the Finnisch (dry) sauna. With only 20 cm depth the M3 W heater is a very space-saving model and still offers a fairly large 8 kg rock store.

Your advantages:

- Compact, extra slim design only 20 cm depth.
- Built-in control, control panel on the top of the heater for quick, simple and safe operation.
- Heating time up to 4 hours. .
- Control unit may be placed on the left or on the right by outer shell swapping.
- Durable triple-shell stainless steel construction.
- 8 kg rock store for temperature stability and good water infusions. .
- Easy replacement / change of heating elements.
- Made in Germany quality from EOS. •

Specifications:
