FINEST SAUNA ENGINEERING

made in Germany

EOS Scent Trophy S

Designer essence bowl for saunas

A subtle elegance in your sauna - yet the Scent Trophy is more than just a stylish accessory. It fills your sauna with wonderful scents, helping to turn each bath into a special experience.

No assembly necessary. It's truly universal and can be used for many applications, like for instance an aroma bath, a herbal bath or a salt inhalation.

Made of special heat-resistant quartz glass, Scent Trophy will be a fine design enhancement for your sauna. The essence bowl can be easily removed and cleaned.

Explore more opportunities - try the included original Himalayan salt rocks to enrich the air with salt ions.
